

AQUINAS COLLEGE

WHERE EXCELLENCE IS A HABIT!

— 2026–2027 THEME —

One Faith, One Light, One Journey

August 28, 2026

Dear Parents, Faculty and Scholars,

I warmly welcome you back to a new school year at Aquinas College. The start of the year is a time for fresh beginnings, new opportunities, and growth in knowledge, faith, and community. Whether you are returning or joining our Aces family for the first time, know that you are a valued member of our school community.

As we begin the 2026–2027 academic year, let us fully embrace our theme: **'One Faith, One Light, One Journey'**, which symbolizes the unity of our educational community rooted in Catholic values. This theme highlights Jesus Christ as our guide and the collective spiritual path that unites our Catholic school system. We are privileged to learn, teach, and grow in a community built on Christ's teachings—a place that nurtures our shared spirit and unites us in common goals.

Let us begin this year with excitement, hope, and the knowledge that we are all part of something greater than ourselves—

One Faith, One Light, One Journey.

We take immense pride in how our scholars have represented our school through their participation and achievements in numerous extracurricular activities both on and off campus. Our scholars' exemplary academic performance in the 2026 National and International Examinations (BJC, BGCSE, and AP) has filled us with pride. We extend our gratitude to our dedicated faculty and celebrate the accomplishments of our 2026 graduates and 11th-grade scholars in the 2026 BGCSE Examinations, as well as our 8th and 9th-grade scholars in the 2026 BJC Examinations. Furthermore, we commend the Class of 2026, including the four AP scholars, the one AP scholar with Honours, and all scholars who received scholarships to attend the UB and colleges in the United States and Canada. The achievements of our scholars exemplify their diligent efforts and attest to their potential. We eagerly anticipate their continued success. Congratulations, scholars, and may you always persist in making **'Excellence a Habit'** in everything you do!

PARTNERS IN EDUCATION

Parents, your role in your children's education is just as crucial as that of our teachers. Successful educational results depend on the teamwork between parents and our committed staff. We emphasize the importance of registering for Power School, the Catholic Board of Education's Grade Portal, to keep track of your child's academic progress.

If you have trouble accessing Power School or forget your login details, please reach out to Ms. Kelly, our Vice Principal, for assistance.
